7. As to the subject of my interaction with Mr. Hall, I hereby testify as follows based on the facts known to me:
8. On the night of 2/28/2017, I was staying at the Hyatt Regency Hotel in Sacramento, because I attended the Fresh Fruit Association's Government Relations Meeting. I attended the meetings in the daytime, and the reception in the evening. I first talked with Isadore Hall, at the reception party that evening, and he had told me he would like to further speak with me, about my views on worker issues in agriculture. I gave him my business card, and figured we would speak again, in the future.
9. Later that evening as I left my room in the Hyatt Regency Hotel, I came across a group of members from the Fresh Fruit Association, and as I came upon them realized they were speaking with Mr. Hall. I heard Mr. Hall cussing quite a bit, being very loud, and decided I would not stay, nor get involved in the discussion going on.
10. So I ordered a drink, and as I was going towards the back exit to smoke a cigarette, when Mr. Hall walked out in front of me. We sat across from each other, and I mentioned "well that sounded like a fun conversation". His response was "yeah those motherfuckers don't know me".
